South Dakota State University (SDSU), South Dakota Counties and USDA Cooperating. SDSU adheres to AA/EEO guidelines in offering educational programs and services

Dear Wind Power Folks:

The Northwest Landowners Energy Alliance (NLEA) wishes to invite you to attend and participate in the West River Wind Power Workshop to be held 9:00 AM – 6:00 PM Wednesday, June 9 at the Holiday Inn Convention Center, Spearfish, South Dakota. The intent of the workshop is to provide an opportunity for western South Dakota wind power groups to learn and network with other wind power groups, wind power developers, electric cooperatives, transmission line builders and wind power educators. Attached please find a poster/flyer that you can post and use to invite other people that you think might be interested in attending and an agenda for the workshop.

Please fill it out registration form below for the workshop for each person attending.
